

## Capturing Stories

### 1. What's your name?

### 2. Describe how you came by this story.

- Direct patron interaction.
- The story is something I witnessed or overheard.
- Other (please specify)

### 3. Describe the story/impact. Record any comments or anecdotal evidence that could be considered effective in assessing the value of our library services.

### 4. Please include the patron's name (even a first name would be very useful!), if you have it, and any other pertinent information.
