## Capturing FFL Stories

Wonderful things are happening every day at the library. We would love to capture your stories and share them with the community!

We are working to put together a **series of videos** showing off all the cool stuff you're doing at the library and **we want YOU to be a part of it!** Simply fill out this form and we will contact you to set up a 5-10 minute, 2 question interview where we ask: 1) What have you been doing in the library; and 2) How has it changed your life? (Don't worry – you don't have to appear on film!) Interviews will be on Tuesday afternoons, Thursday nights, or at alternate times if needed.

Thank you for sharing your inspiring stories with the community!
