LEWIS AND CLARK (Tours 3)

PATTERSON, N.Y.

HISTORICAL BACKGROUND

John T. Holtham, 1977

The park, for the visitor, would be a fitting end to this momentous day. The momentous day will begin with the presentation of a walking tour led by the Friends of the Fort. The program will begin at Fort Tryon Park, the site of the American Revolution. The tour will take place on the 24th of September, 1789.

In addition to the historical sites, the Friends of the Fort will also be celebrating the 200th anniversary of the Battle of Fort Washington.

Accordian music will be performed by a local band.

The tour will begin at the Fort and proceed to the Battery, then to the Arsenal, and finally to the Fort itself. The tour will be led by a local historian who will provide insights into the history of the park.

The tour is open to the public and will be led by a local historian.

The tour will conclude with a reception at the Fort's visitor center.
